Report of Fire Chief - 1979

The Department has answered the following calls during this past year: 2 house fires, 4 chimney fires, 2 brush fires, 1 forest fire, 2 emergency calls, 1 false alarm and 1 bucket loader fire. Department officers also made checks on chimneys and camp fires.

The Fire Department still has telephone stickers available to occupants of Greenwood giving the toll free number for Oxford County Fire Control (1-800-482-7433) to be used when reporting fires. Contact any member of the department for free stickers. Free chimney cleaning material is also available for the taxpayers of Greenwood. Contact any officer of the department if you would like some of this material.

The Department continues to have a regular fire meeting, an officers' meeting and at least one training session per month. Last Fall nine members completed a 24 hour course on Hazardous Materials which was taught in Norway by State instructor Richard Cadwell.

The Department is now in the process of upgrading a tank truck. It will be some time before this truck will be in service due to the cost of materials and many hours of volunteer labor necessary before completion. In the future this truck would be used as a tank truck or for the purpose of relaying water.

With the increase in the cost of home heating oil more people are burning wood. I would like to mention that it is very important for all persons to have well built and clean chimneys, proper stove and funnel installations and be knowledgeable in the operation of wood stoves and

furnaces. Never leave your children to operate wood fires. Proper care of wood burning devices can eliminate fires and save lives and property.

I would like to take this opportunity to thank the officers and members of the Department for their continued cooperation and dedicated service to the Town of Greenwood and thereby providing protection of lives and property.

RAYMOND A. SEAMES
Fire Chief

Report to the Taxpayers of Greenwood

The Department of Transportation in the year of 1980 will be constructing the new roadway connecting Howe Hill and Route 26 and also a portion of the road near Mud Pond, which was supposed to have been started last July 1979.

The Highway Department will probably be doing a portion of road in the Richardson Hollow area using T.R.I. and Special Road money. A portion of the Irish Neighborhood Road was completed in 1979.

The State valuation for the year of 1980 is \$14,550,000. This is about an 8% increase from the previous year.

The unappropriated surplus should be about \$81,742.84. Broken down — checkbook \$17,203.23, C.E.T.A. \$1,104.00, 1979 taxes \$55,438.72, 1978 tax liens \$4,375.07, 1977 tax liens \$3,621.82.

Due to the deadline of February 7th for Town Report material the auditor's report may not be listed in the Town Report. The audit was conducted February 4th and 5th.

The Assessor and Deputy valuated weekends during March through June. Out of a total 512 building (more or less) 175 were measured, listed, and valuated using the state schedule.

Roger Cross was elected Chairman of the Board as of January 1980 and has taken over all the bookwork, Norman Millett checks on the Highway Department. This should enable the Selectpersons to complete more projects than in the past.

Thanks to Roger and Norman for their help and interest this past year.

Board of Selectpersons
Town of Greenwood
